Savage

DR. A. E. SHEARER

To a wonderful person; to a progressive administrator; to a dean who is never too busy to listen to the humblest freshman's problems; to a man whom every student on the campus knows and loves; to our own Southeastern State College dean, Dr. A. E. Shearer, do we dedicate "The Savage" of 1951.

Administration

DR. T. T. MONTGOMERY
President of Southeastern State College

Sigma Tau Gamma, social fraternity, dedicates this page in memory of their pledge, Bob Montgomery.

Bob Montgomery, 22, was killed in an automobile accident March 4, 1951.

GOVERNOR JOHNSTON MURRAY

DR. A. E. SHEARER

One of the most admired, beloved, and respected figures on the Southeastern campus is Dr. A. E. Shearer, dean of the college. Although persistently busy with his duties as college administrator, Dean Shearer always has time for a friendly chat with Southeastern students.

His ideal of good scholastic rating coupled with participation in activities and social life has helped much to raise the standards of the students. Dean Shearer's patience and understanding have inspired many students to aspire for higher goals in life.

This is Dr. Shearer's thirteenth year at Southeastern. He took his B.A. degree at Lincoln Memorial University, M.A. at Mercer University, and Ph.D. at Peabody College. Secretary to Dr. Shearer is Mrs. Dexter Smith.

To the Students of Southeastern State College:

The atmosphere of an institution is the subtle spirit and pervading influence that surrounds it. College atmosphere lives in memory and in history. College spirit, traditions and atmosphere are caught by every generation of students like the faint aroma of incense lingering in sacred halls. Music and song, poetry and painting, stories oft repeated and dim unspoken memories carry these subtle qualities down through the years.

Atmosphere belongs to the college itself. It has been created by the generation of students who have lived, learned and loved within its walls. Here the faith of parents in their sons and daughters mingles with the high ambitions and sturdy efforts of youth.

Here is hope sometimes tinged with doubt — for many have won but some have lost — the way of learning is not always light. Here are friends and friendships — sweethearts and lasting loves. Activities too — athletics, forensics and dramatics; bright lights and banquet guests; music and a college dance; lessons to do — hard chores at worst — creative acts at best; customs to be learned and observed; traditions to be respected; the atmosphere of your college—the atmosphere in which you live. Acquire it; contribute to it; improve it; maintain it.

T. T. MONTGOMERY, *President*

In Memoriam

JOHN L. PROPS

John L. Props, dean of men at Southeastern, has gained the admiration of the student body with his frankness of manner in giving guidance and counsel. Dean Props has been a faculty member at Southeastern for 24 years, and has repeatedly proved his interest in the young men of Southeastern.

As chemistry professor and pre-medical advisor, Mr. Props has been instrumental in starting an impressive number of Southeastern students in successful medical careers.

Dean Props took B.S. and M.S. degrees at the University of Oklahoma and has done graduate work at the same university.

DR. KATHLEEN GILLARD

One of the most capable and well-qualified women on the Southeastern campus is Dr. Kathleen Gillard, dean of women. Southeastern girls appreciate the earnestness and sincerity with which Dean Gillard delves into their problems. Dean Gillard's ambition is to keep standards high for the women of Southeastern.

Coming to Southeastern last year, Dr. Gillard has an unusually liberal background enriched with much travel abroad. Her A.B. degree is from Alma College in Alma, Michigan. Dr. Gillard has master's degrees both in English and personnel administration from Columbia University, and she completed work on her Ph.D. degree at Peabody College last summer.

The Acacia Club operates under the jurisdiction of the Durant Lodge Number 45, which is a regularly chartered lodge under the jurisdiction of the Most Worshipful Grand Lodge of Oklahoma, A.F.&A.M.

The ideals of Tribes' Council are high and its purposes may be summed up: To promote fellowship and to preserve those pertinent facts concerning the well-being of the Indian in the past, present, and future.

This organization does not limit all of its affairs to those of a business nature. They enter a float in the Homecoming Parade and participate in the Friendship Fire. For the last three years Tribes' Council has won first for their booth in Beaux Arts Ball.

Flying the colors purple and gold, the WAA finds that working together is lots of fun. The spring all-state camping trip at Camp Jack Little and the annual manless dance have already become traditional as well as the all-girl parties which have found a place in WAA.

BOULE

This year Boule enjoyed a continuance of the lasting popularity and success the club has known throughout its 26 years of campus life. With its name pronounced "boo-lay" the order is rich in the lore of the ancient Greeks, with much of its historical background attributed to the founder and sponsor, T. A. Houston.

Just what happens at Boule meetings and during initiation no one seems to know, and members only smile in reply to outsiders' questions, for Boule is the most secret of all the secret campus clubs.

Eloise Goza is president of Boule and Sue Potts is secretary-treasurer.

Left to right: Dick Allen, Max McClendon, Jim English, Leslie Wilson, president; Dr. T. T. Montgomery, Dr. A. E. Shearer, Frank Cornell, Doyle Goins, vice president; and Al Melson, secretary.

BLUE KEY

"Serving I Live." Leaders in men's organizations and activities on the campus of Southeastern have served under this motto of Blue Key, national leadership fraternity, since its establishment here in 1932.

Members of Blue Key are men who are willing to accept responsibility, willing to co-operate with faculty, willing to work with their fellow students, and are men who are capable of putting across ideas and ideals and creating the right attitudes which do much to improve student life. They are truly men who are the "cream of the crop" on the campus.

Cardinal Key began the scholastic year 1950-51 with four active members, having lost the others by graduation or matrimony. These four "Keys" were powerful and knew how to get their objectives realized.

They entered a float in the Homecoming parade, and entertained their pledges with a tea. Sponsors of the group are Miss Sally Leonard, Mrs. Floy Perkinson Gates, Miss Elizabeth McKinney, Miss Isabel Work, and Miss Effie Montgomery.

These organizations are Phi Sigma Epsilon and Sigma Tau Gamma, social fraternities, and Alpha Sigma Tau and Pi Kappa Sigma, social sororities.

The purpose of the Interfraternity Council is to make rules and regulations, regarding the activities of the social fraternities on the Southeastern campus. The council meets the first Tuesday of every month.

The fraternity motto, "Seek a life useful", has been a well met challenge to the members of Alpha Psi Omega. Amber and moonlight blue are the fraternity colors. These two colors were selected because they are used for stage lighting more than any other colors.

Jon Whitcomb

January 29, 1951

To the Staff of The Savage:

I certainly enjoyed seeing the photographs of Southeastern State College's ten prettiest girls and have chosen #7 as your Yearbook Queen for 1951.

Best wishes, and I shall be looking forward to seeing your Yearbook when it comes off the press.

Sincerely,

Jon Whitcomb

Who's Who

Charlotte Harbert, who has a double major in home economics and music, is an outstanding vocalist at Southeastern. She is a member of Alpha Sigma Tau, Kappa Delta Pi, Cardinal Key, a Cappella Choir, and women's quartet.

One of the busiest girls on the campus is Austine Phillips. She's student council secretary, W.A.A. president, yearbook queen, head cheerleader, and still finds time to be a member of Disc Jockey, Tribes Council, and Boule. (She's also engaged to a former SSC basketball player, Don Scott.)

Speaking of scientists, meet Doyle Goins. Doyle, a McAlester product, is president of Phi Sigma Epsilon social fraternity. He is also a member of Kappa Delta Pi and Blue Key.

We know you won't believe it when we tell you, but Mildred Hight is not merely an outstanding student, a member of Pi Omega Pi, Kappa Delta Pi, and senior student council representative — she finds time to be a housewife and take care of two children. Each morning Mr. and Mrs. Lloyd Hight and the kiddies start the day in the same way — at school.

Caught in a very characteristic pose is Joy Childers, editor of "The Southeastern." Joy also serves as yearbook copy editor, Sigma Tau Delta president, Kappa Delta Pi secretary, Latin Club secretary, and is a member of A Cappella Choir, Boule, College Players, and women's quartet.

Meet Joyce Lee, president of Pi Kappa Sigma social sorority. A very popular young lady, Joyce is majoring in music at Southeastern. She is a member of Kappa Delta Pi, A Cappella Choir, and Disc Jockey.

Frank Cornell, president of student council at Southeastern, is in a thoughtful mood. Frank is a member of Sigma Tau Gamma social fraternity, Blue Key, "O" Club, B.S.U., and "The Southeastern" staff. A math major, Frank has also found time to letter in football at SSC.

Gloria Azzarello of Grand Rapids, Michigan, served as president of Alpha Sigma Tau social sorority first semester. Gloria, who was graduated in January, was a member of W.A.A., Art Club, Latin Club, and Interfraternity Council.

Football captain Paul Brown either has the sun-grips or is acquiring "worry lines". Perhaps he's thinking about son Jimmy or his twin daughters, just recent additions to the Brown family. Paul has a high scholastic rating and is a member of the "O" Club and Kappa Delta Pi.

Eloise Goza, art major, makes plans for her senior art exhibit. Eloise serves as president of Boule and is a member of Kappa Delta Pi and Art Club. A graduate of Calera high school. Eloise is also an accomplished pianist.

Here's Beryl Kemp, senior representative in the SSC student council. Noted for his ability as a businessman, Beryl is a wellknown figure on the Southeastern campus. He is a member of Phi Sigma Epsilon social fraternity.

Margaret Ann Dolson, diminutive music major, presented her senior voice recital this spring. Margie served as president of Pi Kappa Sigma social sorority two years. She is also a member of the A Cappella Choir and women's quartet.

One of the outstanding figures in scholastic ratings at Southeastern is Delmaleen Decker. Delmaleen, who is an Atoka high school graduate, is a member of Kappa Delta Pi, national educational fraternity.

Veteran M. J. Lovell took advantage of the G.I. Bill to return to college and has proved to be an outstanding student. An English major, Lovell is a member of Kappa Delta Pi and Boule. His portrayal of Collins in "Pride and Prejudice" will long be remembered by Southeasterners.

One of the most popular young men on the campus is Dick Allen. Dick served as president of Sigma Tau Gamma first semester. He is a member of the "O" Club and Blue Key; he also served as sports editor of the yearbook. He was elected Pi Kappa Beau of 1951.

Lea Cates, who is Mrs. J. O. Davis as of March 22, is an employee in the registrar's office. Lea is senior class secretary, served as president of the women's dorm first semester, and is a member of Pi Kappa Sigma, Pi Omega Pi, and Latin Club.

Coaches Stevens and Sullivan map out a play.

COACH DAVE STEVENS

Coach Dave Stevens, former athlete and graduate of Southeastern State college, has been head football coach here since 1941. He has done graduate work at Oklahoma A&M college. His record here since the war has been a very impressive one.

Coach Stevens' team won the conference flag in 1946 with only one defeat in conference play and again in 1947 when they were defeated only once and that time by a non-conference team.

The Savages were co-champions along with Central State College in 1948 and were runners-up in the conference in both 1949 and 1950. In the past five years his teams have won 35 games, lost 13, and tied 4. Coach Stevens also serves as track coach.

Here again he has an impressive record. Although the Savages have not won a track crown in the past five years, they finished second in 1947, 1948, and 1949. They were nosed out by OBU in 1947 by two points, and again in 1948 by 1/3 point.

The 1950 Savages, probably one of the greatest teams here in Savage land in the past five years, were unable to prove their power due to severe injuries throughout the season.

The services of Skinny Stewart were limited to occasional plays. They were also without the services of quarterbacks Tommy Baldwin for six games due to a broken hand. Practically the entire team was plagued with injuries at one time or another.

The highlights of the season were the defeats of the Southwestern Bulldogs and the East Central Tigers. The victory over

the Bulldogs was the greatest triumph of the season, since no other conference team was able to accomplish this feat. Since the Tigers are an arch rival of the Savages, their defeat rated a close second to the Weatherford victory. It was a hard fought battle, with the Tigers trying for their first victory over the Savages in the past five years, but the stubborn Savages refused to be defeated.

Although the Savages won only four games, lost four, and tied two, their season was anything but dull. With just a little luck and fewer injuries, it was evident that the Savages could have finished on top and could possibly have gone undefeated.

Front row, left to right: Paul Brown, Pudge Bowers, Buddy Nevil, Tommy Langham, Ray West, Dick Allen, Hoyt Earnest, Don Townsend, and Marlin Wanner.

Second row: Skinny Stewart, Billy Ray Stewart, Bill Atkinson, Merle Harrel, Kenneth Krall, Bill Crutcher, David Emerson, and Leonard Korenek.

Possibly the roughest game played on Paul Daird field this season was Southeastern's disheartening game with Northwestern. Northwestern won the game 27-21, scoring their final touchdown in the last three minutes of play to spoil the Savages' hopes. It was the first homecoming game the Savages had lost since the war. It was also the first victory for the Rangers over the Savages since OCC football was resumed in 1946. The game was a hard fought battle with frequent injuries. Four Southeastern boys were hurt: Bill Crutcher, Bill McC Carson, Dick Allen, and Skinny Stewart.

Several Northwestern players were also hurt. Bob Wheat scored two of the Rangers' touchdowns and Jeff Landreth accounted for the other two. Scoring for the Savages were "Roundboy" West, Skinny Stewart, and Don Townsend. Stewart's three placement kicks found their marks. Although the Rangers were out front by score, the Savages held the edge in statistics.

BLOOMER SULLIVAN
Director of Athletics
Head Basketball Coach

Coach Sullivan's record as head basketball coach at Southeastern will never be forgotten. No other coach in the Oklahoma collegiate conference has a record which will compare with that of Sullivan. During his reign as head mentor he has had many championship teams. Very few times have his boys finished lower than runners-up in the conference. Any time another team meets a Sullivan crew they know they must play heads-up basketball all the way to win.

The job Coach Sullivan did here this past season was just another verification of his ability to produce great basketball teams. He really puts his heart into his work, which is probably one of the secrets of his success.

Basketball is only one of the sports in which Sullivan excels. Recently he was honored as a member of the all-time football greats.

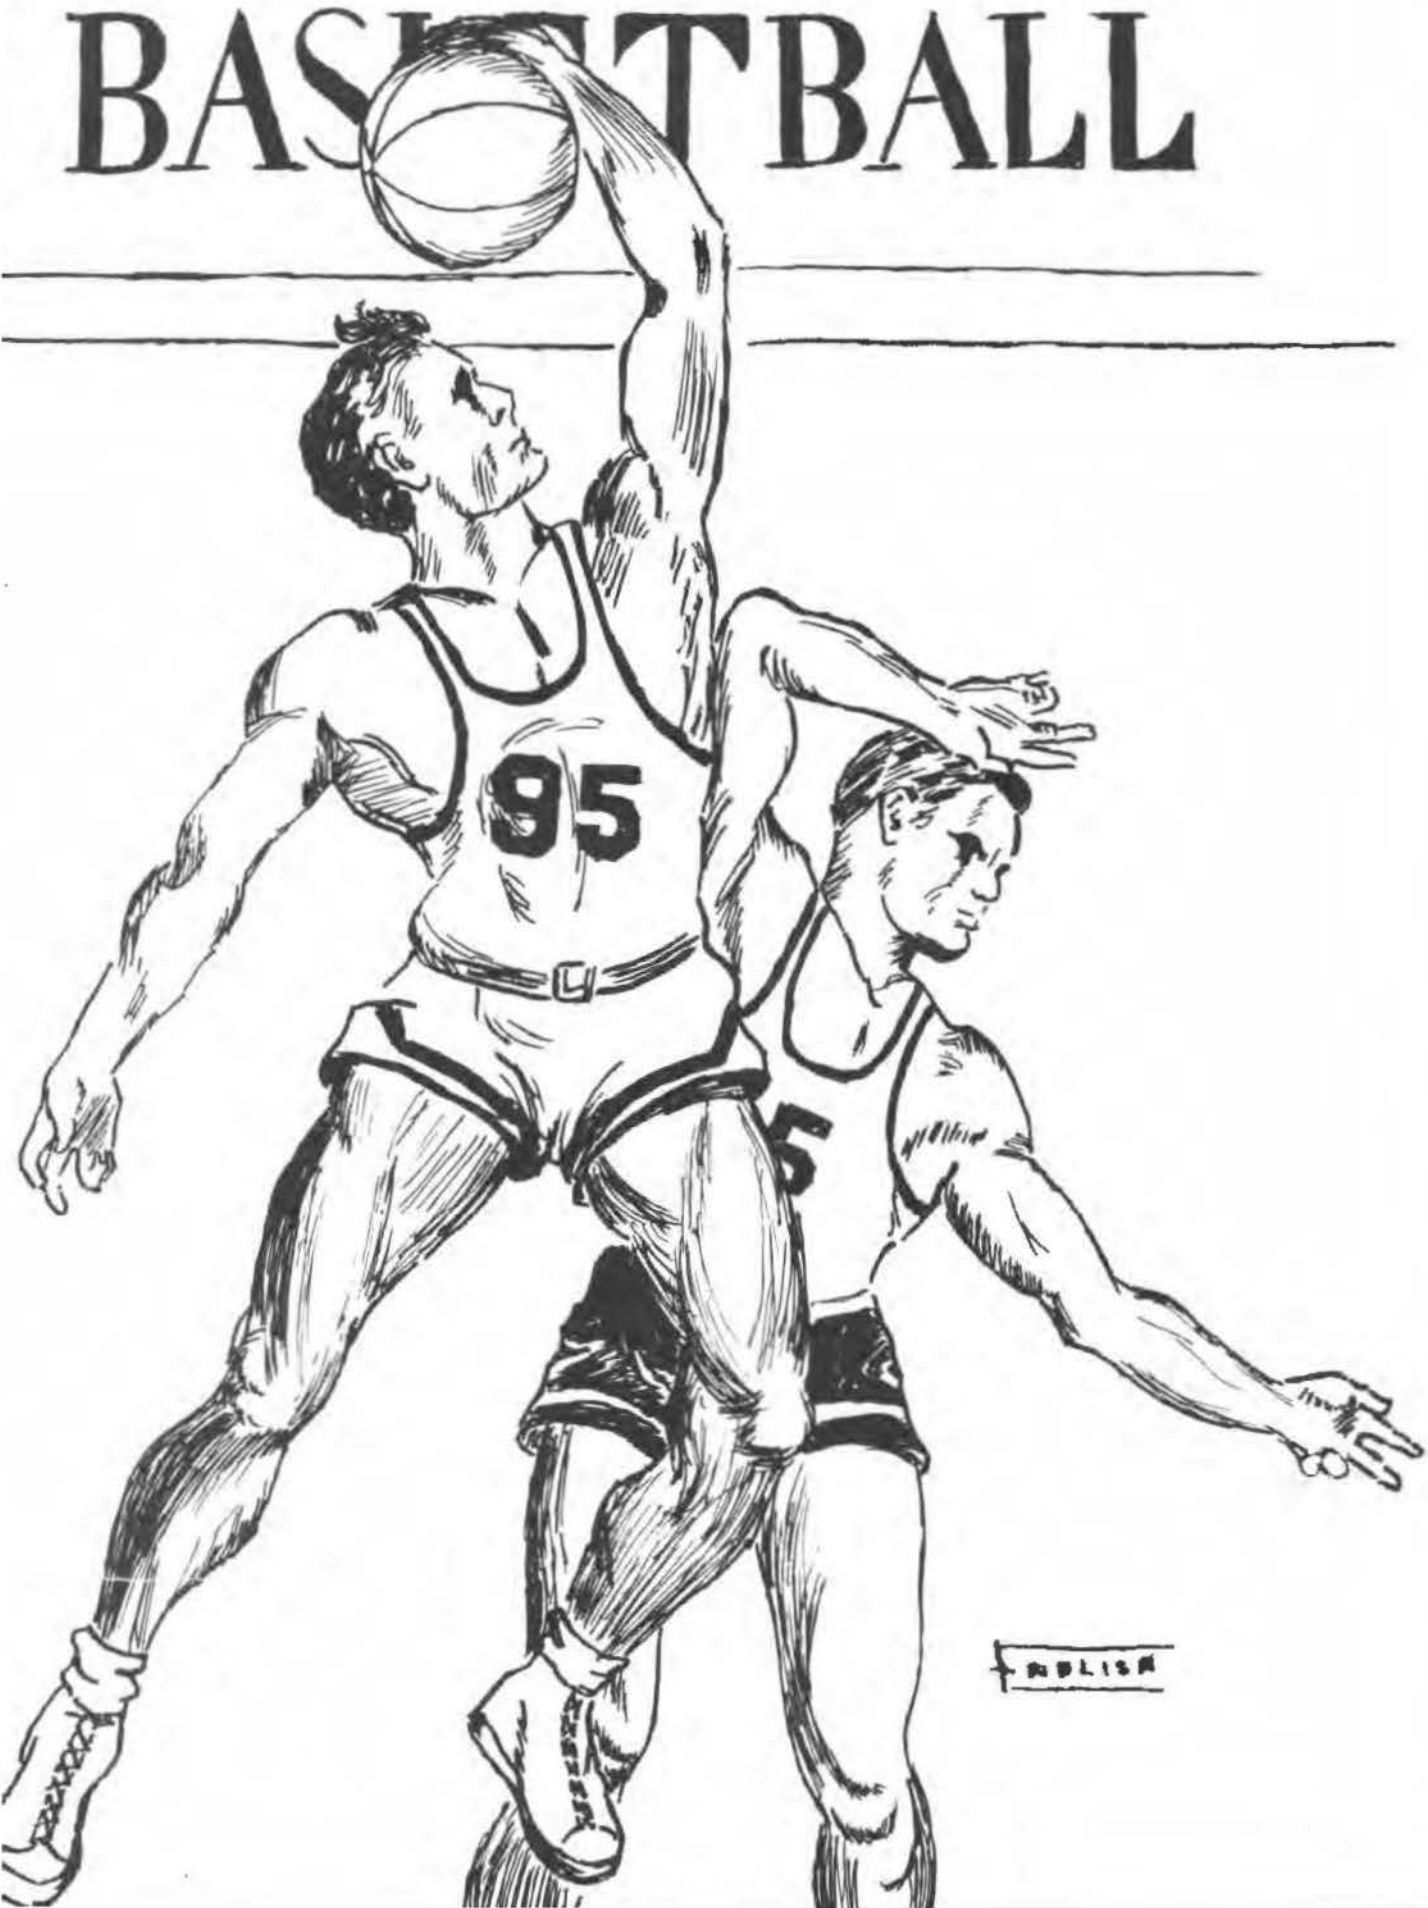

Southeastern is in the habit of producing Championship basketball teams. And the 1950-51 team was no exception. Although the Savages did not win the Conference flag, there was little doubt in the minds of the people who saw them play and played against them, that they were among the tops in the Oklahoma Collegiate Conference. The Savages lost only three Conference games two of which were freakish losses, the other due to the misinterpretation of the rules of basketball by one of the men wearing the striped shirts.

When the last ball went through the hoop however, there was a smile on Coach Sullivan's face so we all know he was well pleased with the performance of his team in their final game, and considered the season a very successful one. In the entire season the Savages won 23 lost 10 which is a very good average. It would be hard to pick the most exciting game due to the fact that the competition was keen all the way and there were numerous close and very exciting games. The Savages were the only team in the Conference to defeat the Halliburton Cementers (an A. A. U. team). The Savages defeated them by some 21 points at home and the Cementers won the game at Duncan in an overtime. Also only team in Conference to defeat the East Central Tigers. You could hardly pick the most outstanding player on this team because at one time or another they all shared in the glory. The Savages are looking forward to another great season next year, providing the Draft boards don't become too active.

Players, left to right: Dub Woolbright, Don Parham, Stacey Parker, Kenneth Drummons, L. D. Mahoney, John Gecks, Kirby Minter, George Trisdale, J. C. Curtis, Earl Curtis, Boyd Converse, Buddy Spencer, Denis Willard, Pudge Bowers.

TENNIS

Clarence Dyer, Associate professor of Industrial Arts, came to Southeastern in 1946 and has led the Savage netmen to the Oklahoma Collegiate Championship in 1947 and again in 1950. In 1948 the team placed second and in 1949 were co-champs with Central State.

Coach Dyer and his netmen have brought honor and distinction to the College.

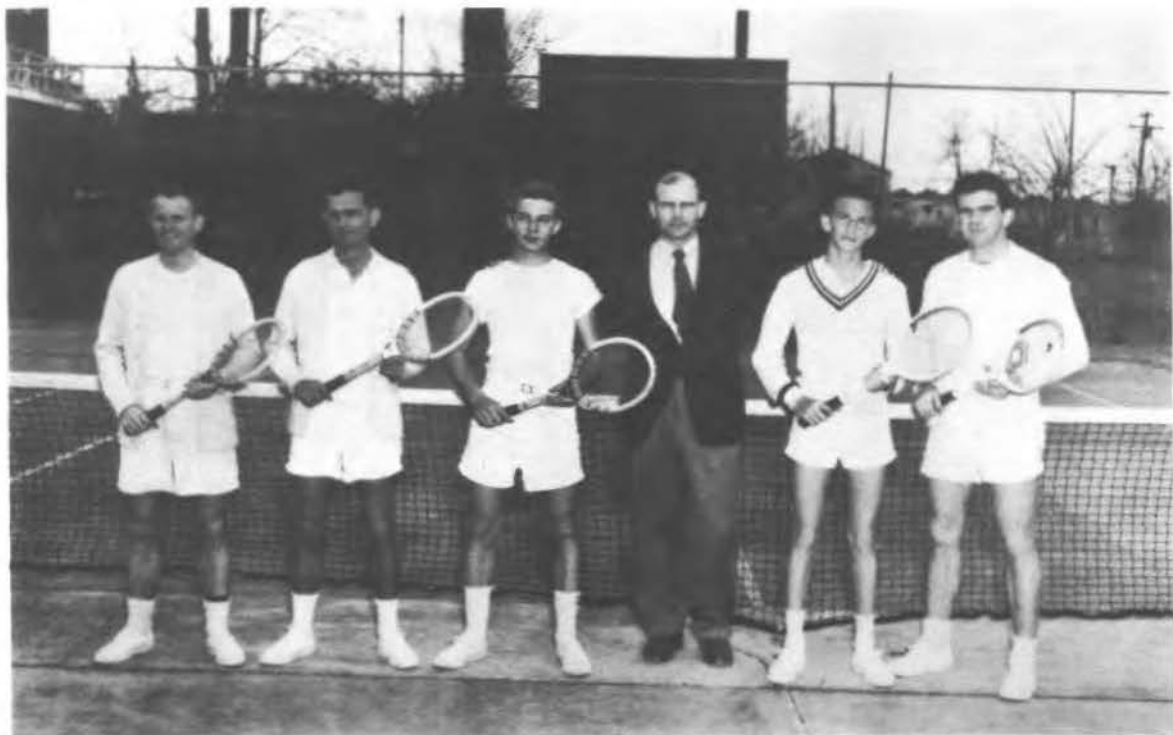

Coach Dyer and Harlowe Binning map out strategy to overcome opponents.

The 1951 Southeastern State college tennis team began their spring season in true form. In their matches with S. M. U. and Texas A. & M., they tied both three to three.

Last year they had little trouble winning the conference championship and were expected to repeat again in 1951. They lost only one of last year's regulars and added two freshmen who were very promising.

The S. M. U. team which tied the Savages three-three, were the Southwest Conference champions in 1950.

Southeastern players were so dominant in the Oklahoma Collegiate conference in 1950 that they were matched against each other in the finals. Rick Green reigned as singles champion and teamed with Bruce Blake to take the doubles championship.
