# SE vs. ECU Bonfire

End of Fall Semester

# Spring Semester

# Martin Luther King Jr.

A black and white photograph capturing a winter scene. A large, dark metal archway, heavily laden with snow, dominates the frame. The archway features a lattice-like structure and is supported by stone pillars. In the background, a red brick building with several windows is visible. The sky is filled with falling snow, creating a soft, hazy atmosphere. The text "Snow Days" is overlaid in the center of the image in a white, serif font.
