ALLEN E. SHEARER
President
Southeastern State College

After serving for many years as dean, Dr. A. E. Shearer became president of Southeastern State College in the summer of 1952. Since that time he has continually worked for the betterment of the students and faculty alike.

Since his selection to this high position, two new buildings have been added to the campus. The men's dormitory, completed in 1953, is named for our distinguished president. Last year marked the completion of the ultra-modern Health and Physical Education building.

But far more significant than these additions to Southeastern's facilities is the progress Dr. Shearer has made in the educational advancement of southeastern Oklahoma. The high esteem of students and faculty alike are just reward for this man who has devoted immeasurable time and effort in behalf of our college.

Dear Marleean:
 I really had my work cut out for me trying to pick one beauty from among so many -- but I made my choice and here it is: Vicki Garner. I was caught by her hauntingly beautiful eyes and the pair of intelligence and beautiful eyes pressed in her face. I could say many lovely things about all of the other girls also and believe me, the choice was a difficult one to make.
 My best wishes to all the girls and may all their futures be as bright as their beautiful faces.

Sincerely,
 JAMES GARNER

AUSTIN COLLEGE 6

The Savages won their season opener with the Kangaroos. The win made it the third straight Texoma Bowl victory for SSC.

SSC 0

CENTRAL 8

Southeastern lost a hard-fought contest to the Bronchos in a bitter defensive battle.

SSC 0

NORTHEASTERN 34

A powerful Redman squad handed the Savages their second straight defeat. SSC played without the services of four starters. Northeastern went through the season undefeated and copped the Holiday Bowl game.

SSC 13

NORTHWESTERN 14

A Southeastern pass failed to connect for the two vital extra points. The try proved to be the deciding factor in a closely fought conference game.

SSC 24

LANGSTON 14

The Savages won their first conference game of the season at the expense of the Langston Lions. Southeastern's offense showed its capacity by scoring three touchdowns and a field goal.

SSC 11

SOUTHWESTERN 0

Southeastern's team effort proved too much for the Bulldogs in this ballgame. It left the Savages with a 3-3 record.

SSC 7

ARKANSAS TECH 18

The Arkansas Tech Wonderboys' offensive attack proved too much for the spunky Savages.

C 6

EAST CENTRAL 7

The penalty-ridden Savages dropped their season final to the Tigers. A debatable five-yard penalty set up the Tigers' lone touchdown. East Central capitalized on their next play and converted the extra point.

Two senior squad members Ferdie Burket and Tommy Weast. Ferdie was named all-conference three consecutive years.

THE FRIENDSHIP FIRE

Reviving an old tradition this year, the student senate sponsored a Friendship Fire in November. Each organization on campus chose its friendly boy and girl and then an election was held to choose the friendliest throughout the whole campus. The night of the fire, representatives tossed the symbols of their groups into the fire. As the circle marched around the fire, a drummer beat out the steady rhythm. After all the symbols had been thrown into the flames, David Faulkenberry, president of the student senate, announced that Suzanne Heard and Bob Berry had been selected as friendliest boy and girl. They escorted Dr. Shearer as he tossed in his lamp of learning as the final emblem. The fire was symbolic of the friendship and co-operation of groups on campus.

"Now just a minute, son." Looks like Roger Mikeal, dorm secretary-treasurer, got caught telling a big one to president Dan Hicks and vice president Don Nutt.
